

**WEDNESDAY OCTOBER 3, 2018**

**FALL SUPPER ADVERTISING**

We're gearing up to make this Fall Supper the best one yet! Our aim is to serve 1,000 people – nearly 250 more than last year. That means we need your help getting the word out. Here's how:

- **Hang up posters.** Posters will be going home in backpacks today. Each family will receive two, but please contact the office if you'd be willing to put up more. We'd love to see these hung all over our communities – local businesses, public spaces, churches. Please ask permission from management before posting.
- **Personally invite people.** The best advertisement is word of mouth. Do you have friends, family, neighbors, co-workers, etc. that you've never personally asked to join you at the Fall Supper? This is the year to invite them! To make this a little easier, we'll be sending home invitation cards to hand out as the big date draws closer.

**Here are the event details:**

**Why is all of this important?** The Fall Supper is the school's second biggest annual fundraiser. Successful fundraising keeps tuition down and allows us to make improvements to our school. The Fall Supper is also a fantastic opportunity to share HCS with others. Many people in our local communities don't realize our school exists. Let's show them what they've been missing out on!
